Welcome

January 2012

Dear Colleague:

It is my pleasure to provide the Membership Directory for the Georgia Association of Chamber of Commerce Executives (GACCE). This directory contains vital contact information for the chief executives of more than 140 chambers of commerce from across Georgia. It provides similar information on a group of over 40 other important people – our Associate Members – who represent Georgia's economic development and business community. This directory will be housed on the GACCE web site at www.gacce.org. Please feel free to download an updated version each quarter.

GACCE is organized to provide exceptional services to our members in the areas of professional development, information and networking opportunities, and to advocate the local chamber's role in economic and community development. I invite you to call on me or the members of GACCE's Board of Directors if ever we can be of assistance to you.

Every effort has been made to present the information in this directory as accurately as possible. However, things change. If the information we have on file for your organization changes during the course of the year, or if you have difficulty reaching a listing in the directory, please e-mail Tiffany Fulmer Ott at the GACCE office at fulmer@gacce.org.

Sincerely,

A handwritten signature in black ink that reads "Myrna H. Ballard". The signature is written in a cursive, flowing style.

Myrna Ballard, 2011-2012 GACCE Chair
President, Valdosta-Lowndes County Chamber of Commerce
