- Any Chamber that is currently accredited through the U.S. Chamber of Commerce at the date of this application is exempt from all application requirements with proof of accreditation – complete the 2nd application at the end of this packet.

GACCE CERTIFIED CHAMBER PROGRAM

One of the most prestigious programs of the Georgia Association of Chamber of Commerce Executives (GACCE) is the Georgia Certified Chamber Program. The Georgia Certified Chamber Program sets standards of excellence for chambers in Georgia. It recognizes chambers that have met those standards while offering guidelines for those to improve their effectiveness.

GACCE follows the U.S. Chamber model, and the designation needs to be reapplied for every five years. Being a Certified Chamber of Commerce places you in a higher plateau of achievement. It shows you have gone through a detailed analysis of who and where you are as an organization.

Why should your Chamber become a Georgia Certified Chamber?

The benefits are numerous. Certification demonstrates your commitment to improvements in your operations that makes you a more valuable and competent organization.

Certification will benefit your Chamber by:

- Committing the chamber to meet important standards established collectively by members of GACCE.
- Establishing that the Certified Chamber meets those important standards by GACCE.
- Validating the Certified Chamber as existing for the purpose inherent in the time-honored tradition of a "Chamber of Commerce."
- Increasing your credibility with your Boards of Directors and your membership.
- Helping with membership recruitment and retention.
- Helping differentiate your chamber from other chambers and business associations.

What does the Georgia Certified Chamber designation mean to the community or area where the chamber is located?

Certification benefits the community by:

- Setting high standards, which their chamber of commerce voluntarily ascribes to and meets.
- Providing the assurance that their local chamber of commerce aspires to excellence in a manner consistent with chambers of commerce throughout Georgia.
- Strengthening free enterprise by protecting the business environment.
- Providing assurances to the businesses joining the chamber that they are investing in a not for profit corporation whose revenues are utilized for business and public good and not personal gain.
